New Programs & Area Improvements Highlight Storrs Pond 2012

Summer Is Upon Us

The time is here to enjoy another beautiful New England spring, summer and autumn and there's no better place to do that than at the Storrs Pond Recreation Area. We would like you to come for a visit and see the improvements to the bathhouse, tennis courts, camp sites and beach area. Storrs Pond veterans will recognize some old programs we've brought back to better serve the Upper Valley Community as well as some new ideas that are sure to make this a summer like none other.

SPRA Season Pass

The Hanover Improvement Society views the recreation area as a precious asset to the entire Upper Valley community and wishes to encourage ALL families to enjoy not just the heated pool but the entire Recreation Area. Storrs Pond boasts fantastic hiking trails, playgrounds, tennis courts, beautiful beaches, cozy camp sites, terrific picnic pavilions and some of the best fishing in the Upper Valley. By signing up as a

Storrs Pond "pass holder" you will be donating to the operation of Storrs Pond as well as supporting and preserving Storrs Pond for future generations to enjoy. Your "pass" will help to preserve Hanover's natural treasure.

Kids Club

The Hanover Improvement Society is considering a Kids Club program this summer at Storrs Pond. The Kids Club would be designed for the family that would like to see their children participate in a program that offers quality, fun and educational activities. Families may sign up for half-days, full days or multiple days. Kids Club will take advantage of the facilities at Storrs Pond. Participants will be asked to select activities from the Kids Club menu so your day will be spent doing things you want to do. Activities will include canoeing, fishing, archery, swimming, tennis, arts & crafts and much more. Call us if you would be interested in this potential new program.
