| Shooting range | |

Orienteering is an outdoor activity for people of all ages. It involves finding your way through unknown terrain with map and compass. Using a detailed topographic map as your primary tool, and a compass to stay oriented, you try to select and follow the route between specified points.

Parts of this area are privately owned. Please respect the rights of the owners.

Scale 1 : 7 500

Contour Interval 3 meters

0 meters 250 m 500 m

Field work and drawing: Plamen Djambazov, May 1993
